## Faux Leather Crib 5

Saddle is a breakthrough in fabric development by combining leather and polyurethane to give an incredible soft but severe contract use faux leather with colours carefully selected to enhance any domestic or contract situation.

Composition	85% P.U. 15% Leather
Width	140cms (55") approx
Usage	Severe contract upholstery
Rub Test	50,000 Test certificates available on request

**Cleaning/Care:** Regularly clean with a damp cloth and Hoover with a soft brush avoiding any chemical polishes and soaps.

Enhanced cleaning can be done with a damp cloth and a solution of 1% mild soap..

**Flame Retardant:** BS5852 0 x 1  
BS5852 Crib 5 using 35kg/m CMHR Foam  
Recticel RS35H

**Colour Matching:** Every effort is made to ensure the closest possible colour match to our pattern books, but we are unable to guarantee an exact match. If you require to match to fabric, please send us a sample or request a stock cutting of the shade. Always check fabric before cutting.

Please do not cut patterns. Samples will be sent on request.

It is manufacturer's recommendations that all cushions should be wrapped in calico or other suitable inner lining and that 1/2" seam be taken up with 8 stitches per inch, and all seams overlapped when machining.
