## TECHNICAL INFORMATION

Composition:	Coating: PVC/PU Blend Base cloth: Cotton/Polyester
Weight:	720 g/m <sup>2</sup> +/- 5%
Width:	140cm (55")
Flammability:	BS7176: Medium Hazard EN1021 Source 1 & 2, BS5852 Source 5 BS5852: 2006 Ignition Source 5 EN1021-1/2 CAL TB 116 and 117, NFPA 260 (USA) Marine Standard IMO A.652 (16)
Abrasion Resistance:	350,000 Martindale rubs 100,000+ Wyzenbeek D.R.
Application:	Severe contract and heavy domestic upholstery. A good room temperature facilitates the application.
Colour Fastness to Light:	Grade 5+
Colour Fastness to Rubbing:	Wet >4 Dry >4
Additional:	Urine Resistant Anti-Bacterial & Hygienic Material Protection High Scratch Resistance Improved Stain Resistance with <b>Acryltron™</b>
Recommended Cleaning:	<ul style="list-style-type: none"><li>• Vacuum and wipe clean regularly with a damp microfibre cloth and water to remove dust particles and prevent build up of soiling.</li><li>• Remove spillages promptly with an absorbent dry cloth.</li><li>• For general soiling, use a soft brush/microfibre cloth taking care to avoid abrasive damage to surface and use tepid soapy water(non alkaline). Rinse clean with water and dry with an absorbent cloth.</li><li>• Bodily fluids should be removed promptly (within 15 mins) with cold water and then cleaned as above.</li><li>• Extreme soiling/infection control purposes use a 5% Sodium Hypochlorite (bleach) solution, Haz tabs or Chlor Clean.</li><li>• Steam cleaning is an effective sanitizer but it is not a good cleaner. Cleaning with a microfibre cloth and water is more effective. Steam and heat from steam cleaners actually seal in oily residues from bodily fluids, etc. If steam cleaning is essential, use infrequently for emergency infection control purposes and in accordance with the manufacturers recommendations. As we are unable to comment on the variety of machines in the market place or on the operators handling, care should be taken for the sake of both the upholstery fabric and the furniture frame and we are unable to guarantee these.</li><li>• Do not machine wash or dry clean.</li><li>• Do not use furniture polish, stain remover or solvents.</li><li>• Remove indigo dye from denim and canvas garments immediately as they will produce permanent staining if not dealt with promptly.</li><li>• Do not use a felt tip, ball-point pen or ink to mark as these can leave permanent stains.</li></ul>

### Continuity:

Although every effort is made to ensure that fabrics ordered match the colours in this pattern card, slight variations may occur from batch to batch.

Please note Panaz reserve the right to update product specification at their discretion.
