commend a minimum of 32 stitches per 10 cm
(12 stitches per inch) and seams must have a minimum
(0.5") bite on the fabric.

uitable for use as removable loose covers.

don can be colour co-ordinated with the Agua
leather collections to produce stunning furniture
dual textured finishes.

Please note that all fabric offered is subject to tolerance
in respect of shade and other slight variations.

Technical specifications may be amended, please check
for the latest information.

Please ask if you require a sample of the current batch
available but be aware that stock can move quickly.

Fabric Care

vacuum cleaner or soft brush to remove dust and
particles.

try cleaning products on a hidden piece of fabric
suitability.

frequently with a damp cloth to maintain the
appearance of the fabric.

illages should be removed immediately with a
absorbent cloth.

stains can be removed using cold/warm water and
microfibre cloth, however poorly fixed clothing
may cause permanent staining.

from products containing oil and grease should
ated with a spirit based solution.

If soap based cleaners are used, all soap residues must
be rinsed from the fabric.

Can be cleaned with mild Hypochlorite solutions (up to
10,000 ppm of available chlorine - including Haz Tabs
and Chlor-Clean) or Mineral Spirit for infection control
purposes.

Can be steam cleaned in situ.

Do not machine wash or dry clean.

Remove all stains immediately before they set.

Please refer to the Care Sheet on the Agua website for
further details.
