Samples of all ILIV print qualities and designs can be ordered free of charge from www.iliv.co.uk. Samples on this card are printed on Q4160.

Our print qualities offer a variety of benefits such as antimicrobial and stain resistant finishes, blackout coating and additional Feelsafe treatments.

For full details of the wash and care instructions, please refer to the ILIV website or price list.

Whilst we endeavour to ensure that every batch matches our swatches, variations do occur. If you require an exact match to a previous order please make the Sales Team aware at the time of ordering and if possible please send a cutting for us to match to.

⊙ Our certified Feelsafe technology is an anti-microbial finish, proven to be effective against a broad spectrum of bacteria and fungi.
